Over 50 years of dedication. WoodDen is a manufacturer, importer, processor and trader of teak logs and timber from Myanmar, which is the source of the best quality teak in the world. Our brand has always been committed to aiding Myanmar's reforestation efforts and therefore only processes legal teak bought from government tenders. Additionally, we are at the source of teak raw materials from sustainable forest, thus we manufacture with a minimal carbon footprint and Eco-friendly by every steps. We place importance on design quality and practical use, and also provide a wide range of products and service including teak panels for yacht decks, residential interiors, and elegant teak furniture.
